

B E S E R O V I A -- #25 -- 24 Jun 75

This is Alcalá Publication #614, edited and published by Rod Walker, "Alcalá", 1273 Crest Dr., Encinitas CA 92024.

BESEROVIA is a temporary vehicle for The Press Game...EREHWON is delayed by such things as writing short stories, celebrating our anniversary next weekend, working in the orchard, and general laziness.

I hope to have EREHWON 89, with the press, out by this weekend. Actually, I just can't think of a cover cartoon. Meanwhile, this is to keep you informed on what you all did to each other (hint: S _ _ B), and to let the game move forward with all due smoothness.

FALL 1901 ORDERS are due on Wednesday, 23 July 1975. EREHWON will be out before that so you can read press and write more. We had a 100% response on the press this time, of course.

Nick Ulanov: My deadlines are receipt, not postmark. You mailed your orders on the 20th, which was the deadline. I am accepting them late this time, but not in the future.

Oh, yes...Nicky's address is now: 48 University Pl., Princeton NJ 08540.

John Leeder is going to be out of touch on a canoe or kayak or something this August or somewhen. We'll play that by ear when it happens.

General Orders: One set on file, from Italy.

Telephone: Mine here is (714) 436-6619. That's our business phone and is listed under "Alcalá". Our personal phone is not yet in, but when installed, will be listed under my name. That should be in July. (I do not, however, promise to be available at any particular time for calls.) (And let the phone ring several times. This is a big house and if I am outside, we have almost 2 acres, so it takes a while to reach the phone.)

THORTY, Señor...
